

KNOW BEFORE YOU GO FACT SHEET

WHAT WILL I LEARN AND EXPERIENCE IN MY STUDIES?

The Foundations of Medicine curriculum is designed to:

- Offer an in-depth, comprehensive program of biomedical sciences that has traditionally been deemed appropriate for future medical practitioners.
- Provide patient case correlations and clinical competency learning throughout the instructional program of biomedical sciences.
- Present a physical diagnosis course that provides the practical experience needed by students to prepare adequately for their clinical clerkships.

PROGRAM COSTS AND STUDENT LOANS

\$267,615	Total program costs for a student with no transfer credits is \$267,615
\$202,325	Median tuition, books and fees paid by 2014-15 graduates of the program was \$202,325
\$286,055	Median student load debt of 2014-15 graduates was: Federal - \$286,055

WHAT SERVICES WILL I RECEIVE?

Services available to all students include:

- Student Support Advisors help you plan your coursework and develop a financial plan to pay for your education.
- Counseling, legal and financial planning services through the ASPIRE Student Assistance Program.
- Career Services will guide you through the career search process as you approach graduation.

Important Information about the Know Before You Go Fact Sheet:

How relevant is this information to me? The Know Before You Go Fact Sheet provides information about Ross University School of Medicine and information about U.S. colleges as a whole. Certain information, such as earnings outcomes, can be different depending on where you plan to live and your individual situation and experience. The Fact Sheet information is intended to help you compare some information about Ross University School of Medicine to other colleges as you think about your choices.

Information Sources

Total Program Costs: This is the total tuition, fees and average estimated textbook and equipment expense for a student attending full time who takes and passes every course currently required by the program at Ross University School of Medicine a single time at the current tuition rate.

Median tuition, books and fees paid is the median amount paid to Ross University School of Medicine by students who graduated from this program in the 2014-15 academic year. This amount is different than the Total Program Costs and may be different for each student because students may transfer credits from other colleges, repeat courses that are not passed the first time.

Median student loan debt is the median total debt (federal, private and institutional loans) of students who completed this program in the 2014-15 academic year.

Loan Default Rate is the percentage of borrowers (U. S. colleges and Ross University School of Medicine) entering repayment in 2013 who defaulted on their loans within 3 years. Provided by the U.S. Department of Education and can be found at: <http://www2.ed.gov/offices/OSFAP/defaultmanagement/cdr.html>. In addition, a Loan Repayment Rate for former Ross University School of Medicine students as well as those who attended other institutions can be found on the College Scorecard: <https://collegescorecard.ed.gov/>.

USMLE Step Exam Pass Rates are provided by the Educational Commission for Foreign Medical Graduates (ECFMG). The rates reflect the percentage of students attempting the exam during the calendar year who passed on the first attempt.

First-Time Residency Attainment Rate for 2015-16 graduates in the 2016 match year. Includes residencies obtained outside the main NRMP match.
