Students accepted for admission to Ross University School of Medicine (RUSM) and those who are in attendance and maintaining standards of satisfactory academic progress may apply for student loans to meet direct and indirect educational expenses. Students must be a United States citizen, permanent resident, or other eligible noncitizen to be eligible for loans through The William D. Ford Direct Loan Program and most private loan programs described in this publication.

Additionally, a student must not be in default on prior federal student loans or have outstanding overpayments for prior loans/grants at any institution. Each continuing student must also comply with the institutional Satisfactory Academic Progress Policy (SAP) as published in the Student Handbook. The maximum loan amount for which a student is eligible may not exceed the Cost of Attendance for the academic period in which the student is enrolled. First year estimates for Cost of Attendance are included in this publication and may be adjusted by the University each semester or calendar year.

Students accepted to the Medical Education Review Program (MERP) program are not eligible for federal student loans, however may be eligible for private loan programs at the lenders discretion. Students must be credit-worthy or have a credit-worthy co-signer that meets the lender’s requirements.

Canadian citizens may be eligible for loans through the Canadian government and/or private loan programs. For more information, please refer to the Financial Planning Guide for Canadian Students, which is available online at http://www.rossu.edu/files/FinancialAssistanceforCanadianUpdated.pdf

Other Foreign Nationals may apply for private loans with a U.S. co-signer.
FINANCIAL AID APPLICATION PROCESS

Step One
A prospective applicant to RUSM should not wait until acceptance before completing the appropriate documents. Students (U.S. Citizens/permanent residents/other eligible noncitizens only) in need of financial assistance to help with the payment of tuition, fees, and other related costs, are advised to submit the 2013-2014 Free Application for Federal Student Aid (FAFSA). The FAFSA can be completed online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Graduate and professional level students are considered independent for federal purposes; therefore do not need to provide data or signatures for their parents.

Students attending the 2013-2014 award year should submit their application no later than 3 months prior to their semester start date. Applications will be accepted after this date, but delivery of funds may be delayed.

Step Two
Typically, federal financial aid recipients are eligible for a maximum of $10,250 in Federal Direct Stafford Loans per semester. In addition, most students will apply for the Federal Direct Graduate PLUS Loan to cover the remaining tuition costs, as well as living and other “indirect” expenses for the semester. The Graduate PLUS loan approval is based on the last 5 years of your credit history. It is EXTREMELY important to review your credit history. You can request a free credit report at [www.annualcreditreport.com](http://www.annualcreditreport.com). You may also request a pre-approval for your Graduate PLUS loan at [www.studentloans.gov](http://www.studentloans.gov).

Students may find that they are not credit-worthy on their own (and must obtain a co-signer) or need time to resolve credit issues that affect their credit-worthiness. This process can often take several months to address. Students who start the process early will have a better chance of receiving their loans on time.

ADDITIONAL INFORMATION REQUESTS
Once your Free Application for Federal Student Aid (FAFSA) has been processed, you may be asked to submit additional information to Student Finance. If you need to provide additional documentation, you will receive an email indicating which documents are required.

Students will receive a “Missing Item” letter via e-mail from the Office of Student Finance indicating which documents are needed for financial aid eligibility determinations. If a student’s financial aid file remains incomplete 15 days after a Final Missing Item letter is mailed, the file will be placed in an “inactive” status and the student will be responsible for payment of tuition and fees to the University from personal resources.

Commonly, the following documents are needed if a student’s Student Aid Report (SAR) indicates one of the following:

- **The student is selected for verification, which is indicated on the SAR with an asterisk (*) next to the EFC number.** Verification concerns applicants for most FSA programs, but it isn’t required if the student will only receive a graduate PLUS loan, an unsubsidized Stafford loan, a TEACH grant, a Stafford loan at a foreign school, or GAP funds. Students at RUSM are not required to complete the verification process; however the school may still request documents to reconcile any conflicting information that may exist on the student’s application. Graduate students are not eligible for any need-based loans. No student action is needed if the SAR is selected for verification unless notified otherwise by the Office of Student Finance.

- **A Comment Code is present on the SAR.**

  A Comment Code could indicate several things. Some common issues include a mismatch of name, social security
number, date of birth, citizenship/permanent residence, no record of Selective Service registration or an indication of a prior student loan default. In these cases, the appropriate documentation must be submitted to the New Jersey Office of Student Finance.

- We will request the appropriate document when a comment code is indicated.
- If there is a Selective Service registration issue, the student must contact the Selective Service System at (847-688-6888) and provide acceptable documentation that the problem has been resolved.
- Proof of cleared loan default status from the student loan agency.

• If you wish to accept the Federal Direct Graduate PLUS Loan, you must complete the following:
  - A Federal Direct Graduate PLUS Loan Master Promissory Note (MPN) with the U.S. Department of Education at https://studentloans.gov
  - Title IV Authorization Form on the MyRoss web site to authorize retention of financial aid funds to pay for either tuition only or tuition and all institutional fees

**COST OF ATTENDANCE AND ESTIMATED FAMILY CONTRIBUTION (EFC)**

Sample costs of attendance are listed below for students for two semesters. Costs are estimated and are subject to change without notice.

*Please note that consumer or other personal debt (credit cards, legal fees, etc.) cannot be included in the Cost of Attendance for Financial Aid purposes.
* Consumer Information and total program costs can be retrieved using the below link: http://www.rossu.edu/student-consumer-info.cfm

The student contribution is based upon a formula enacted into law by Congress called the Federal Methodology. The student contribution may be found on the electronic SAR as the Estimated Family Contribution, also known as the EFC. Any corrections to the income and asset data may be made online at www.fafsa.ed.gov.

| 2013-2014 Sample Cost of Attendance for 2 semesters: | $65,236 |
| Minus maximum Unsubsidized Stafford loan: | – $20,500 |
| **Equals the Graduate PLUS eligibility:** | **$44,736** |

Thus, the student would be eligible for the maximum Federal Direct Unsubsidized Stafford of $20,500 and a Federal Direct Grad PLUS loan of $44,736 for a maximum total of $65,236. The Department of Education charges origination fees on the Direct Unsubsidized Stafford loan and the Direct Graduate PLUS loan.

**Direct Unsubsidized Stafford loan origination fee**: 1.072%
**Direct Graduate PLUS loan origination fee**: 4.288%

Borrow wisely! Borrowing funds to pay for your educational costs are a tremendous obligation and the loans must
be repaid so future students continue to have the same opportunities. Please utilize the loan calculators available to determine your financial need to cover your actual expenses.

**Med Calculator:** [www.rossu.edu/medcalculator](http://www.rossu.edu/medcalculator)

If you default, you risk negatively affecting your credit, which will burden you for many years. Thus, even though you may be eligible for a larger amount, we urge you to borrow only what you need in order to cover your educational expenses. Credit cards or other debt (including prior student loans) cannot be included as educational expenses.

**LOAN SOURCES**

The Direct Loan Program offers the following types of loans to eligible U.S. citizens and permanent residents:

- **Unsubsidized** – This is a non-need-based Federal loan with a $20,500 academic year (two semesters) maximum. Unsubsidized loans charge interest from the time the money is first disbursed until it is paid in full. The interest is capitalized, meaning that you pay interest on any interest that has already accrued. The borrower is responsible for the interest that accrues during all periods. One way to minimize how much interest accrues is to contact your loan servicer to arrange to pay the interest as it accumulates. The interest rate is FIXED at 5.41%. If the borrower chooses not to pay the interest while in school, the interest will be capitalized, which means that the accrued interest is added to the outstanding principal balance at repayment. Deferring interest payments while in school adds to the overall repayment cost of the loan.

- **Because Ross is a foreign medical school, our students are not eligible for the additional $20,000 Unsubsidized portion of the Stafford Loan.** The combined aggregate borrowing limit of $138,500 for the subsidized and unsubsidized loans includes any prior outstanding undergraduate/graduate Stafford Loans.

The Graduate PLUS Loan is a non-need-based federal loan for which the student can borrow up to the school’s cost of attendance, less other financial aid, be eligible for The interest rate is FIXED at 6.41%. The Graduate PLUS credit decision is based on the last 5 years of your credit history.

You can obtain a free copy of your credit report at [www.annualcreditreport.com](http://www.annualcreditreport.com). This will advise you if there is adverse credit in your name, such as a payment over 90 days late, an account in collections, etc. You will want to contact these creditors and obtain a letter from them on their letterhead that states the account is in good standing in order to appeal a credit denial for the PLUS loan.

If your credit cannot be repaired, you may need to add an endorser (cosigner) for the loan. Your endorser will need to log on to [www.studentloans.gov](http://www.studentloans.gov) with their own PIN to complete an endorser addendum. If they do not have a PIN, they can obtain one at [www.pin.ed.gov](http://www.pin.ed.gov).

Below is a link to advise you of the documents required to appeal particular adverse credit: [https://studentloans.gov/myDirectLoan/whatYouNeed.action?page=credit](https://studentloans.gov/myDirectLoan/whatYouNeed.action?page=credit)

The 10-year repayment period begins six months after the student graduates or drops below half-time enrollment. The interest rate on loans is established by the Federal government each year on July 1st. The current origination fee for the Federal Direct Stafford Loan is 1.072% and for the PLUS Loan is 4.288%. The current fixed, interest rate for the Federal Direct Stafford Loan is 5.41% and Federal Direct PLUS Loan is 6.41%.

**LENDERS**

As a participant in The William D. Ford Federal Direct Loan Program, all Ross University students must borrow their student loans through the U.S. Department of Education. All Master Promissory Notes must be completed online at the U.S. Department of Education website at [https://studentloans.gov](http://www.studentloans.gov).

**PRIVATE LOAN PROGRAMS**

Ross University does not make any recommendations regarding lender selection. The lenders are listed in alphabetical order, and therefore do not indicate any sort of rank or preference. Students are encouraged to review each lender’s terms and conditions before selecting a lender. Lender terms and eligibility criteria sometimes change, and while all of the lenders listed currently
provide loans to Ross University students, they may not always do so. Students may choose to borrow from one of the lenders listed or from any other lender.

Please click the below link to access lenders that have made loans to DeVry Education Group, (DeVry University, Chamberlain College of Nursing, Carrington College, Carrington College of California, Ross Medical and Veterinary Schools, American University of the Caribbean and Keller Graduate School of Management) students in the past, and continue to do so as of the date listed in the document: www.Rossu.edu/medical-school/documents/MedPrivateLenders.pdf

If you have any credit issues, you may need to obtain a co-borrower. A co-borrower also assumes responsibility for the loan to make sure the loan is repaid as agreed. The loan will appear on the co-borrower’s credit report. In the event that your payments are late or remain unpaid, this will also appear on your co-borrower’s credit history.

Please be sure to check your credit history now so that you have time to resolve any outstanding credit problems. You can obtain a free copy of your credit report at www.annualcreditreport.com. You will most likely need to borrow additional credit based loans in your future.

RESIDENCY & RELOCATION LOAN PROGRAMS

Residency and Relocation Loans are available for students in their second through final years of studies. In addition to your normal financial aid package, certain student loan lenders offer the Residency & Relocation Loans, which provide up to $20,000 to help students pay for exam review classes, internship-residency interviewing and residency relocation expenses. This loan is credit-based with a lifetime limit of $12,500-$20,000, depending on the lender. Students must be enrolled and need funds to cover the cost of an exam review class, internship/residency interviewing and/or relocation expenses. Documentation of the specific needs may be required when applying for the loan. Funds are sent directly to you.

STUDENT LOAN DISBURSEMENTS

Billing and student loan disbursements are processed by the Office of Student Finance. Disbursements of loan funds are made in two installments for an academic year- once per semester. If any tuition and fees are outstanding, funds are credited to a student’s account on a first-in basis. Any credit balance remaining is forwarded to the student by the Office of Student Finance, usually within ten days after receipt of the disbursement, provided the student has confirmed enrollment on campus and is making satisfactory academic progress. For those who apply on time, disbursements usually arrive at the University 13 days in advance of the start of a semester. The disbursement of these funds is made on the 10th day before the first day of classes. The Office of Student Finance is responsible for confirming eligibility of the student prior to release of any funds.

In order for funds to be released, continuing students must be registered, making satisfactory academic progress and have satisfied all other requirements as outlined in the Student Handbook. Funds will be distributed to students who have confirmed their attendance on the campus during the first week of classes. Funds will be returned to the lender for students who do not confirm their attendance on the campus and/or have failed to satisfy all other University requirements. Loans are not available during periods in which students are not enrolled or rotating.

CANCELLATION AND RETURN OF LOAN PROCEEDS

Upon receipt of the Financial Aid Award Letter, the student has the opportunity to cancel or reduce the loan amounts awarded. Completed online loan applications will be certified by your Student Finance Counselor based on the amount requested on the Award Letter and corresponding loan applications, as long as those amounts do not exceed the student’s eligibility and Cost of Attendance. The University must notify the student of a disbursement to their account.

A student also has the right to cancel the Federal Direct Stafford, Federal Direct Grad PLUS or Private Loans
after the loan is disbursed to the institution by the lender within 14 days. In order for the University to return the loan proceeds to the lender in a timely fashion, the Office of Student Finance must receive a written request from the student within 14 days of the date on the notice of disbursement to the student. Any combination of loan proceeds released to the student as a refund must be returned to the institution within the cancellation timeframe in order to accommodate the student’s request for cancellation. If there is an outstanding balance on the student’s account, the student must pay that obligation by making arrangements with the Office of Student Finance within the cancellation timeframe. Students should also contact the lender/servicer in instances where they may want to return all or part of their loan proceeds. Please contact the New Jersey Office of Student Finance for additional assistance.

The University Office of Student Finance is required to cancel or return Financial Aid proceeds in cases where it is determined that the student has falsified documents or provided fraudulent documents or information. All cases of fraudulent activity will be reported to the Vice President of Academic Affairs, Campus Dean, DeVry Education Group Regulatory Affairs and the U.S. Department of Education’s Office of the Inspector General.

LOAN MANAGEMENT

Students, who have outstanding educational loans from prior institutions, should print an enrollment verification letter from MyRoss that is customized to reflect the dates of enrollment and enrollment status. This letter may be sent to student loan lenders, insurance companies, or other agencies that require proof of enrollment. This may also be used to request “In-School” deferment from the guarantee agency or servicer of their prior loans.

FUND AVAILABILITY

If all requirements are satisfied, financial aid proceeds will be delivered to students upon completion of the confirmation process. Normally, proceeds are available to students during the first week of the semester. Students should be prepared to cover at least one month’s living expenses at the beginning of the semester if they have filed late or have experienced difficulties with loan approval.

CONTINUING STUDENTS

Continuing students must reapply for financial aid each award year (by March 15th) by filing the FAFSA. Continuing students must continue to satisfy all University requirements and standards including, but not limited to Admissions, Satisfactory Academic Progress (SAP) and Registration to remain eligible for Federal Student Financial Aid.

Conditionally accepted students will not receive financial aid disbursements if required documents are not submitted by the 1st day of the 2nd semester. Funds will be placed on hold until documents are received. Please refer to the Student Handbook.

Satisfactory Academic Progress

See the Student Handbook on www.RossU.edu for detailed information about the Student Academic Progress policy and the financial aid implications for students who do not meet academic standards, such as receiving probationary status or facing dismissal.

LEAVES OF ABSENCE AND CHANGES IN ENROLLMENT STATUS

It is the student’s responsibility to notify the Registrar and the Office of Student Finance regarding a change of name or address, enrollment plans, USMLE scores, leaves of absence and/or withdrawal. If a student takes a leave of absence or withdraws, s/he must complete Loan Exit Counseling online at www.nslds.ed.gov, or in person at the campus Financial Aid Office and notify the lender of his/her status.

A student “on leave” for any reason will be reported to the lenders by the University Registrar’s Office. Students on leave must also complete Exit Counseling. Upon return, the student will be classified as “in school”. Any extended
time away from school will affect the student’s repayment period. If a student is out of school for more than six months at one time, they have exceeded the student loan grace period and will be placed in “repayment” status by the lender. Student Loan repayment typically begins six months after the student graduates or drops below at least half-time enrollment status. In some instances, students may continue to defer student loans during residency programs. Once the six-month grace period is exhausted, another grace period will not be granted.

Upon return, the student will not be charged tuition for the registered term and therefore, will not be receiving any additional financial aid for this term. Students are responsible to pay any health insurance or student government fees accrued during the leave.

If the student returns after six months, s/he will be categorized as “in school”. This is not an automatic process. The student should print an enrollment verification letter from MyRoss that is customized to reflect the dates of enrollment and enrollment status. This letter may be sent to student loan lenders/loan servicers to request “In-School” deferment from the guarantee agency or servicer of their prior loans. Students who enter repayment status because they have not resumed study within the six-month period should consult with the lender/servicer of their loans to complete the appropriate forms for either forbearance or economic hardship deferment, if necessary.

If you submit an appeal to the Academic Review Committee, it does not automatically constitute continued financial aid eligibility. Please contact the University Director of Student Finance for further guidance.
